

Your progressive lenses should match the diversity of your visual needs!

EVERYDAY

shamir Autograph Intelligence™

Designed to match your Visual Age™

Shamir Autograph Intelligence™ has been specifically designed, to ensure your visual experience aligns with your day-to-day visual needs, in all four key visual zones.

PREFERENCE OF VISUAL NEEDS

BENEFITS

- ✓ Unique and optimally suited to your visual behavior (needs) and Visual Age™
- ✓ A personalized experience with no need to compromise on visual comfort

VISUAL AGE™ | REFERS TO THE PHYSIOLOGICAL AGE OF THE EYE (THE REQUIRED ADDITION) AND IS GENERALLY CORRELATED WITH YOUR CHRONOLOGICAL AGE.
